

Admitted candidates to the Visiting Faculty and Researchers Program – 2019 Call

The Carnegie Mellon Portugal Program (CMU Portugal) has announced in February 2019 a call for the “Visiting Faculty and Researchers Program” to award up to 10 mobility grants (Bolsas de Mobilidade).

The candidates were carefully assessed by the Jury and reviewed by the Scientific Directors of the Program taking into consideration the criteria indicated in the announcement of the call.

A total of 10 candidates were admitted to the “Visiting Faculty and Researchers Program” 2019 call and they will now spend a research period at CMU from 1 to 4 months:
